Because INVOLVEMENT is a concept that implies the interaction of people and their interests, it is only proper that the dedication of this book symbolize our gratitude to "the involved." Only "the involved" to whom we owe particular thanks because she has served faithfully as our class sponsor for the past five years.

We, the Reynolda Staff dedicate the 1968-69 edition of our annual to Mrs. Moir Hall.

School Board Determines Policy

MR. DORN O. SPANGLER, Superintendent

The educational system of Patrick County is very fortunate to have as Superintendent, Mr. Dorn O. Spangler. Through Mr. Spangler's comprehensive administration, due to his outstanding qualifications and wide experience, H.R.M.S. has been able to offer its students the best education available.

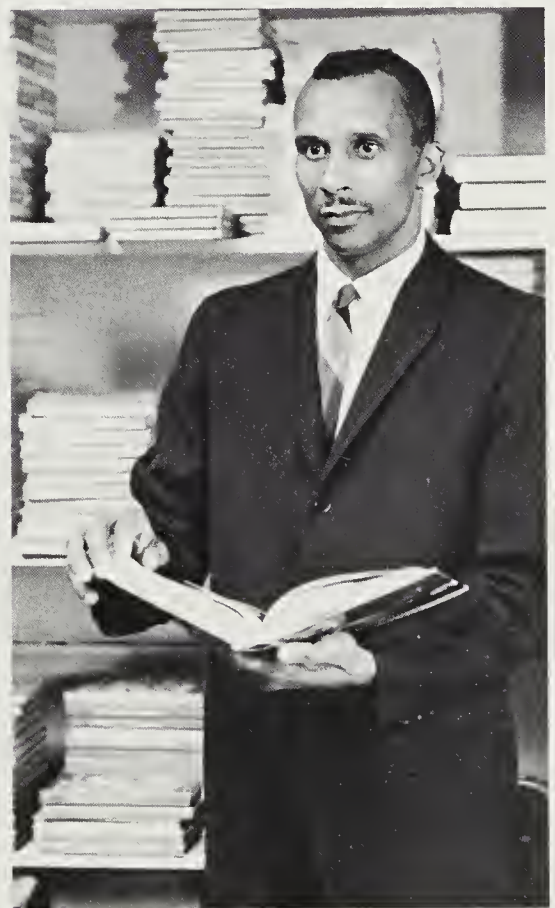

Mr. Spangler started his teaching career as assistant principal of Coal Creek High School in Carroll County and then taught in Woolwine High School in Patrick County. Later, he served as General Supervisor and as Director of Instruction. In 1965, Mr. Spangler became Superintendent of Schools.

MR. N. C. TERRY, Principal

New Principal and Assistant Principal Provide Firm Leadership

For more years than he likes to admit, our Principal, Mr. N. C. Terry, has devoted himself to helping students at HRMS. He has invested a major portion of his life in this school and in the maturing lives of the countless students he has served as teacher, counsel or, friend. As long-time teacher of Agriculture and now as Principal, he has given himself unstintingly to the task of helping assure quality education for the students he has served.

Mr. Terry earned his B.S. degree at the University of North Carolina and his M.S. degree at Virginia Polytechnic Institute.

Mr. Terry's concern for his community extends far beyond the confines of this school, as is exemplified by his actively responsible role in the work of his church, the local civic club, and the local political organization. As concerned teacher and able administrator Mr. Terry has greatly influenced the quality of education at HRMS and thus continues to render outstanding service to us all.

The bus drivers must assume heavy responsibility when carrying students to and from their homes. Despite bad road conditions, noisy passengers, and occasional breakdowns, the drivers can always be relied on for utmost efficiency.

Chapter

Sweetheart

The Will Reynolds Chapter of the Future Farmers of America at Hardin Reynolds Memorial School held their Chapter Sweetheart Contest during December. The boys chose four girls from each homeroom; from these four each homeroom selected one girl to be its candidate.

Presentations and awards were made during National F.F.A. Week. Miss Edith Via won the honor of being Chapter Sweetheart and was given an official F.F.A. Chapter Sweetheart jacket. All contestants received a charm and a certificate.

Miss Betty Crocker

The Betty Crocker Homemaking award is much coveted and sought after by senior Home Economics girls. The search for the Homemaker of America was established to enhance the dignity of the American home and to stimulate an interest in homemaking.

This year Gayna Craddock was presented this award, on the basis of her score on a written and attitude test on homemaking.

We extend our heartiest congratulations to her.

The Student Cooperative Association directs many school activities at Hardin Reynolds Memorial School. Every student is a member of this organization. The Student Council must have the cooperative efforts of everyone in order that the SCA fulfill its purposes.

The SCA is directed by the Student Council, which is made up of elected homeroom representatives, SCA officers, publication editors, and clubs and classes presidents.

With services to the school as its chief goal, the SCA conducted many activities this year, such as the following: served as guides to the first graders during the first week of school; maintained attractive bulletin boards; presented flowers to teachers on their birthdays; directed a book fair to provide new reading material for students; in charge of Christmas program for high school and was responsible for treats for elementary departments.

The Beta Club is an honor to the qualifying student, it also requires exceptional integrity from him in all phases of his school life. A high academic standing must be combined with the earned respect of both students and teachers and evidence of a loyal willingness to work for the club.

"We are the future homemakers of America" is an old expression of the FHA clubs. This is the goal of many girls today, to become homemakers of tomorrow.

Under the sponsorship of Mrs. Louise Hall, the FHA has produced a satisfying flame of accomplishment this year. They had a fashion show for the girls, they carried out UNICF before Christmas, they collected clothes and food for welfare children. They also had a Health Booth at the Fair and won a Blue Ribbon for it.

This year the FHA Chapter has two officers in the JEB Stuart Federation. They are Edith Via, who has held office of treasurer, and Gayna Craddock, who has held office of historian.

Gayna gives demonstration in FHA class.

farmers of America, or FFA as it is known, is the national organization for agricultural education in public schools under the provisions of the National Education Acts.

A regular part of the program of agricultural education in the public school system of America, the FFA has become well known in recent years. No other student organization enjoys greater freedom of self-government under adult counsel and guidance, than the Future Farmers of America. Organized in November 1928, it has served to motivate and vitalize the systematic instruction offered to students of agricultural education, and to provide further training in farmer-business-citizenship.

The FFA is a non-profit, non-political, non-sectarian farm youth organization, however, all organizations must have funds with which to operate. Therefore, the Will Reynolds Chapter of the Future Farmers of America sponsored a Chapter Sweetheart Contest, and sold concessions at H.R.M.S. basketball games as fund raising projects. Through these activities the FFA members have experienced feelings of honesty and fair-play in accomplishing a worthwhile goal.

The Will Reynolds FFA Chapter at Hardin Reynolds is one of the nine school chapters that comprise the Fairystone Federation of the FFA. Lloyd Hopkins, the chapter Reporter, also holds the office of Sentinel in the Federation. Our chapter also participated in the Federation Forestry Contest in which we placed seventh. These contests give students a chance to compete with students their own age for honors that are given by the National Organization. This competition gives students a desire to win, but also instills in them the rewards reaped by fair-play.

Mr. Harper presides over the FFA at each meeting.

Our school has been fortunate to have, not only two winning ball teams, but an above average cheer-leading squad as well.

The cheerleaders have made posters supporting our teams and have led the students in cheering our teams on to victory. These girls deserve a lot of credit for the hard work they have put into promoting school spirit and showing our teams that the student body is behind them.

Score board tells of Rebelette tournament victory.

Laps, lay-ups, and hard work reaped its rewards this year. The Rebelettes got off to a slow start by being defeated in their first 6 games, but these girls did not lose their incentive. They continued to work hard and made a strong comeback by winning their next 6.

They entered the tournament and whipped the Stuart Wildcats by a score of 42-26. Then facing Blue Ridge, the Rebelettes again showed their stuff for a final score of 52-34.

The Rebelettes determination and drive paid off as they were crowned the 1969 District R Champs.
